FROM THE GENERAL MANAGER

Another season has flown past and it was great to see the Red Heavies secure the Doughty Shield Club Championship for a 6th Consecutive season. This really is a team effort and it takes all players, coaches, managers and trainers working together to achieve this.

UQ Rugby was well represented during the 3 week finals series out at Ballymore. UQ had 10 teams progress through to the first week of finals while 7 teams were able to make it through to Grand Finals. The Red Heavies were able to add another 4 trophies to the cabinet with 1st Grade, 3rd Grade, Premier Colts and Colts 2 taking out their respective Grand Finals. Congratulations must also go to 2nd Grade, 4th Grade and Colts 1 who were able to make it through to the Grand Final however were unable to come away with the silverware.

Even though the regular season has wrapped up there is still plenty happening over the Off Season. This year UQ Rugby is taking its 7's program to the next level and entering into a number of tournaments including Emmanuel International 7's

(19th/20th September), Noosa International 7's (10th/11th October) and Byron Bay 7's (17th/18th October) just to name a few. Training is on Tuesday and Thursday night and players of all abilities are welcome.

On the 18th September the UQ Rugby Club will host its Annual Golf Day at the Indooroopilly Golf Club. All supporters of the club are welcome to attend a great day out on the green to reminisce on another great season for The Club. For more information please see below or contact Fraser Hess at admin@uqrugby.com.

It has become custom that UQRFC will embark on a rugby tour every 2 years playing against predominantly varsity teams. With the World Cup in England it was a no brainer to head back to the mother land and take on Loughborough (30th September), Oxford (5th October) and Cambridge (9th October) Universities in tour matches. We will also be supporting the Wallabies against Uruguay, England and Wales in their quest to bring home 'Bill'. For more information on the tour games and the tour [click here](#).

Thanks again for another great year and I hope everyone has a relaxing Off Season ahead of a busy 2016 rugby calendar.
