## Lister blisters Rippa Sticka Sedans @ Nyora Raceway.

Veteran Super Sedan racer Sean Lister effectively brought a gun to a knife fight at Nyora Raceway last night for the Rippa Sticka Open Sedan series and lapped everyone except second place – who was just a car length ahead of him at the finish. Knowing he had a mechanical advantage Lister started each of his heats half a lap behind and then magnanimously shared his prize money amongst the field. Local ace Mick Evans was the only car not lapped but was also not racing for points so the official second place went to Wayne Ramsdale from Lucas Conder. For Conder this was a worthy reward after his car was all but written off just a week ago.

The headline event was meant to be the Miles Eliminator Cup for Standard Saloons and that was shaping as a tuff battle until Sammy Goldsbury broke a wheel on his Falcon and rode out a nasty rollover that knocked him out and forced the cancellation of the rest of the racing. Goldsbury was conscious but the decision was made to cut the rollcage to extricate his removal from the wreckage and he was shortly transported to hospital.

Up to that point Ben Randall and Craig Templeton had been the two dominators.

The Miles Eliminator Cup final will be re-run at a date to be scheduled.

In the Ladies events it was Sarah Price who took the win from Amanda Burrows and Bridgette Morgan

Ladies and Juniors will also be a part of the Sedan action and there will also be some glorious Vintage Sprintcars cutting some demonstration laps as well.

A handful of Vintage "Sprintcars" cut some demonstration laps including a couple of beautiful old CAE machines such as Jim Duggans Champ Car and Clive Townleys Sprintcar.

The next event at Nyora is March 19<sup>th</sup> and will feature the Geoff Moule Memorial for Mini-Sprints, the Velocita Eastern Series for Wingless Sprints, the SDAV Hot Rods for their Thunder Down Under Series as well as Juniors and other events.
