A key signing for 2018 & beyond.

Mike Montemurro, Keanu Asing & Matt Whyte  
CARVE HQ USA

**"The Underdog" this is the perfect analogy for Carve & it's latest team signing Keanu Asing.**

Carve is going from strength to strength, building it's worldwide footprint and in the process expanding their team of marquee riders which already boasts an impressive lineup including Clay Marzo & Stu Kennedy.

Asing is the latest signing for Carve eyewear and he seems to be the perfect fit, Carve is an emerging brand in Hawaii & the U.S mainland and Asing will be flying the Carve flag around the globe.

With plans to release a signature team model eyewear for the young CT ripper, Asing is stoked to be working with the crew at Carve.

Cementing his place back on the CT for 2018, Asing won't die wondering this year, he has been there before and knows what it takes to stay on tour and win events, beware the 'Underdog' get set for him to take down some big names on the way to some podium finishes in 2018 and for many years to come.

*"We are stoked to have Keanu as part of the Carve family and can't wait to see what 2018 brings."*

**Matt Whyte**, Owner of Carve

*"Keanu is the perfect guy to lead the charge for our Hawaiian Carve team, leading by example with solid character and getting the job done as a passionate athlete is something we believe is important for everyone involved with Carve."*

**Mike Montemurro**, CEO Carve USA.
